Faculty Outside Professional Activities and Conflict of Commitment AC80

In part, this policy sets forth guidelines and principles that permit University faculty to engage in activities outside the University ("Outside Professional Activities") while preserving their primary professional duties and responsibilities to the University and remaining consistent with federal regulations and guidelines.

The Altoona College AC80 policy will NOT allow faculty (tenured or tenure-line) to be appointed or hold tenure at another institution.

Apart from this specific guideline, the Altoona College will have no additional unit-specific guidelines for [AC80](#) beyond what is provided in the University's [AC80 policy](#). The University's AC80 policy replaces the Altoona College's prior AD77 guidelines.
